Healthy habits

Reading

Name: _____

Date: _____

Healthy and Unhealthy

My uncle Rustam is very **healthy**. He gets up at six, goes jogging for thirty minutes and eats **vegetables** and fruit. He drinks a lot of water and sleeps eight hours.

My cousin Timur has different habits. He stays up late, plays computer games and eats **fast food**. He is often **tired** and he has no **energy**. His mother always says: "Timur, go outside and do some **exercise**!"

My aunt is a good example. She works in an office, so she sits all day. After work she goes to the gym, stretches and does yoga. She says **exercise** helps her relax.
