5 Read and write T (true) or F (false)

Read the text. Write T or F.

What will life be like in 2050? Many people think robots will do the boring jobs. Cars will drive themselves, so people won't drive. Cities will be bigger and cleaner, and we will probably live longer. But some people don't think the world will be better. They think it will be hotter and more crowded.

1. Robots will do boring jobs.

   _____

2. People will drive cars.

   _____

3. Cities will be smaller.

   _____

4. We will probably live longer.
