“I am sorry. I am stupid,” the jackal says. “Who is in the cage? The goat?”

“No! I am in the cage!”

“I don’t understand. Where is this cage?”

Now Sher is running to the hole. He is jumping into the cage.

“Look! I am standing here, and the door is here!”

The jackal pushes the door. Now the door is **shut**!

“Now I understand everything,” the jackal says. “Come on, Boz.”

Now Sher is sitting in his cage again. And Boz and the jackal are walking home. They are laughing.
