Questions for a New Student

Lola is a new student in our class. Everybody asks her questions.

“Where do you live?” “I live near the park.” “Do you have any brothers or sisters?” “Yes, I do. I have one brother.” “Does he go to our school?” “No, he doesn't. He studies at university.”

“What do you like to do?” “I like music and I play the guitar.” “Does your mother play the guitar too?” “No, she doesn't, but she sings very well.” Now the teacher says: “Thank you, everybody. Lola, do you have any questions for us?”
