School life

Reading

Name: _____

Date: _____

My School Day

My school is not far from my house. Lessons start at eight and finish at two. We have six lessons every day, and the break is twenty minutes long.

On Monday and Thursday we have English. On Tuesday we have PE and on Friday we take a test. Our teachers give us homework every day. We wear a uniform and we study maths, science, history and art.

My favorite subject is science because the lessons are interesting. I learn something new every week.

WORD HELP

far — далеко

Read it aloud two times. Then close the page and tell your partner three things you remember.
