Let's learn! How long…? for · since

Day 2 · step 1

What to do: Read the box, the class repeats. Then ask 3 students: "How long have you lived in your home?"

It started in the past and it is still true now

Grandpa **has lived** on the island **for 40 years**.	for + how long
He **has been** a fisherman **since 1986**.	since + when it started
How long have you **lived** here?	For ten years. / Since 2016.

Not: ~~I live here for ten years~~. It is still true → **I have lived** here for ten years.

По-русски «Я живу здесь 10 лет» (настоящее время!). По-английски: **I have lived** here **for** 10 years.

"I **have lived** on this island **for** forty years!"

Let's learn! for, since or ago?
