Madina's Island

Day 1 · 20 words from Units 7–10 in blue

What to do: Read it aloud together, then answer the questions. The blue words are this week's 20 words.

Have you ever been to an **island**? My cousin Madina has just come back from one, and she has a lot of stories. She has lived in Tashkent since she was born, but she has always wanted to see the **ocean**. This summer she finally had the **chance**.

"It was a **huge challenge**," she told me. "I have never flown alone before!" On the first day she walked on the **beach** and **discovered** a little turtle on the sand. A big bird wanted to **grab** it, but Madina **protected** it. A **guard** from the park helped her: "You have **saved** its life!" he said. Madina was very **proud**.

She has also met a **famous** diver. He has worked on the island for twenty years, and he told her: "It is **essential** to keep the ocean clean." She tried to **balance** on a surfboard: no **success**, a lot of **trouble**, but a lot of fun! On the last evening there was a show about an old **prince** who brought **peace** to the island. "The story sounded **familiar**," she says. "We read it in English class!" Have I been to an island yet? Not yet, but I'm going to go!
