Three Days at Camp

Day 1 · 20 new words in blue · 4000 EEW 1, Unit 11

What to do: Read it aloud together, then answer the questions. The blue words are this week's 20 words.

Next week our class is going to **spend** three days at a camp in the mountains. Our teacher made the **decision** last month, and everybody is excited. Tonight I am **preparing** my bag. My mom is worried: "Will it be cold? Will you **wake** up on time?" I say, "Don't worry, Mom. I'll call you every evening."

Here is the plan. On the first day we are going to walk in the **forest** and **collect berries**. On the second day the teams are going to **compete**: who can **sail** a little boat across the lake? My friend Kamol can't swim, and I can't **either**, but we will wear life jackets. At night we are going to sleep on the **ground** in tents.

Kamol has a **strange** idea. "I think we'll see a **creature** in the forest," he says. "A big one!" I don't believe him **anymore**: last year he said the same thing about a dragon! But to tell the **truth**, I am a little afraid. On the last evening there is going to be a party. The camp leader will **introduce** the winners, and we will have a **serious conversation** about nature. Then, I am sure, everybody will fall **asleep** in a minute! Oh, and my cousin is going to **marry** next month, so I'll come home with a lot of stories.

Answer

1 How long is the class going to spend at the camp? · 2 What are they going to do on the first day? · 3 What does Kamol think? · 4 What will happen on the last evening?
