This file, Day 3 pages

By the end of the week you can: **"When I was small, I used to be afraid of the dark. Did you use to have a pet?"**

Let's learn! used to

Day 2 · step 1

What to do: Read the box. Each student says one thing they used to do when they were small.

A habit or a fact in the past, not true now

Grandma **used to** talk face to face.	there were no phones
I **didn't use to** like vegetables.	now I do
Did you **use to** have a pet?	Yes, I **did**. / No, I **didn't**.

After **didn't** and **Did**: **use** to (no d). Same for everybody: I / he / they used to.

По-русски «раньше я играл, бывало». По-английски: **I used to play**. Только о прошлом!

Grandma: "People **used to** talk face to face. There **didn't use to** be phones!"

Let's learn! used to or the past simple?

Day 2 · step 2

What to do: Students say: 1 thing they used to do, 1 thing they did once last year, 1 thing they usually do now.

Many times or once?

She **used to** feed the goat every day.	many times: a habit
One winter the goat **escaped**.	once: past simple
I **usually** get up at 6. (now)	the present: usually

Look closer · The past simple is also OK for habits with a time: *I lived there for 5 years.* But **used to** shows it is **not true now**.

Murphy red, Unit 36, page 82

Not: "I use to get up at 6" for now → I **usually** get up at 6.
