Unit 14 · Past simple: questions (Did…?)

Name _____

THE BIG IDEA

To ask about the past we use DID + subject + plain verb. DID already shows the past, so the main verb stays plain.

Вопрос о прошлом: DID + подлежащее + простой глагол. Прошедшее время уже в DID, поэтому глагол не меняется.

How we build it

WHICH	PATTERN	EXAMPLE	РУССКИЙ
Question	**Did** **subject** **plain verb?**	**Did you watch TV?**	Ты смотрел телевизор?
Yes	**Yes, subject** **did.**	**Yes, I did.**	Да.

Wh- question	**Wh- word** **did** **subject** **plain verb?**	**What did you watch?**	Что ты смотрел?
A few irregular verbs	learn by heart	**go → went · see → saw · eat → ate · have → had**	

When we use it

Ask about yesterday: Did you play soccer?
Спросить о вчерашнем дне.

Ask a friend about a trip: Where did you go?
Спросить о поездке.

Answer short: Yes, I did. / No, I didn't.
Коротко ответить.

REMEMBER

Past question = DID + subject + plain verb. The 'past' is already in DID, so the verb stays plain.

RUSSIAN AND ENGLISH

Russian shows the past on the verb: «Ты смотрел?». English puts the past on the helper: DID you watch (not 'did you watched').

Watch out! We often say…

~~Did you watched?~~	**Did you watch?**
~~Did he went?~~	**Did he go?**
~~What you watched?~~	**What did you watch?**

EASY TRICK

DID is the past stamp. Once DID is in the question, the main verb is plain: Did you watch? (not «watched»).

Try it! Circle the right answer

1. ___ you watch TV? (Did / Do)
2. Did he ___ the game? (win / won)
3. What did you ___? (play / played)
4. Did she like it? Yes, she ___. (did / liked)
5. Did they come? No, they ___. (didn't / don't)
6. go → ___
