The Fox in the Field

Day 1 · 20 new words in blue · 4000 EEW 1, Unit 5

What to do: Read it aloud together, then answer the questions. The blue words are this week's 20 words.

Last spring, Nilufar was walking across a **field** near her town when she saw something **rare**: a small **wild** fox. It was lying in the grass, and its leg was **hurt badly**. Nilufar was **aware** that wild animals can bite, so she used good **judgment**. She didn't touch it. She called a vet. "Foxes don't **belong** in towns," the vet said. "It is **likely** that a car hit it."

The fox **resided** in the vet's clinic for two weeks. **Since** it was scared, it didn't **relax** at first: it was **rolling** around in its box all night. But the vet **continued** his work, and the **result** was great: the leg was **normal** again. "My first **error**," the vet laughed, "was to think it was a dog!"

Nilufar had one **request**: "Can I see it go home?" They drove to the field. While she was watching, the fox ran into the trees, and soon it wasn't **visible**. It was the best **experience** of her life.

Answer

1 What was Nilufar doing when she saw the fox? · 2 Why didn't she touch it? · 3 What happened at the clinic? · 4 What was her request?
