M1 · Unit 78 · not + anybody / nobody / nothing

Murphy Unit 78 · pp. 166–167

THE BIG IDEA

Use anybody / anyone / anything / anywhere with a negative (not), or use nobody / nothing / nowhere alone. Never use two negatives together.

Отрицание: not ... anybody = nobody; not ... anything = nothing. Два отрицания вместе нельзя.

How to make the sentence

1. Negative verb + any- word: I didn't see anybody.
2. Or a positive verb + no- word: I saw nobody.
3. Both mean the same: nobody = not anybody.
4. Never: I didn't see nobody. (two negatives)

The pattern

Same meaning	not ... anything = nothing	**I didn't say anything. = I said nothing.**	Я ничего не сказал.

THE BIG IDEA

some- is for positive sentences, any- for questions and negatives, no- means zero, every- means all. -body / -one are people, -thing is things, -where is places. With -body / -thing use a singular verb.

How to make the sentence

1. Pick the group: people (-body), things (-thing), places (-where).
2. Pick the start: some- (yes), any- (? and −), no- (zero), every- (all).
3. Join: some + body = somebody; every + thing = everything.
4. Use a singular verb: Everybody is here. Everything is ready.

M3 · Unit 41 · Have you? Are you? Don't you? (short reply questions)

Murphy Unit 41 · pp. 92–93

THE BIG IDEA

We use short questions like Have you? / Are you? / Did you? to show we are interested in what somebody just said. The helper verb is the same as in the sentence. Positive sentence → positive question.

Короткий вопрос-реакция: «Правда? Да ну?» Берём вспомогательный глагол из предложения: I've lost my key. — Have you?

How to make the sentence

1. Listen to the sentence and find its helper verb (have, am / is / are, do / does / did, can).
2. Repeat it + the pronoun: have + you → Have you?
3. For do / does / did sentences use do you? / does he? / did you?
4. Positive sentence → positive reply question. Negative sentence → negative reply question.

The pattern

WHICH	PATTERN	EXAMPLE	РУССКИЙ
have	I've ... → Have you?	**I've lost my key. — Have you? That's bad.**	Я потерял ключ. — Правда?
be	I'm ... → Are you?	**I'm tired. — Are you?**	Я устал. — Правда?
do / does	I like ... → Do you?	**I like pizza. — Do you? Me too.**	Я люблю пиццу. — Правда?
did	I saw ... → Did you?	**I saw Tom. — Did you? Where?**	Я видел Тома. — Правда?
negative	I don't ... → Don't you?	**I don't like it. — Don't you? Why not?**	Мне не нравится. — Правда? Почему?

Watch out! We often say...

~~I'm tired. — Do you?~~	**I'm tired. — Are you?**
~~I like pizza. — Are you?~~	**I like pizza. — Do you?**
~~I saw him. — Have you?~~	**I saw him. — Did you?**
~~I can swim. — Do you?~~	**I can swim. — Can you?**
