Murphy explained

Name _____

M1 · Unit 21 · is done / was done (passive)

Murphy Unit 21 · pp. 52–53

THE BIG IDEA

The passive is be + past participle (is / are / was / were + done). We use it when we do not know or do not care who does the action. Use by to say who.

Пассив: be + третья форма. Важен результат, а не кто делает. By — кто сделал.

How to make the sentence

1. Say what matters: The window.
2. Choose is / are (now) or was / were (past): The window was broken.
3. Add the past participle: broken, made, built, painted.
4. Add by + doer only if it is important: The picture was painted by my sister.

The pattern

WHICH	PATTERN	EXAMPLE	РУССКИЙ
Present	is / are + past participle	**English is spoken in many countries.**	На английском говорят во многих странах.
Past	was / were + past participle	**The house was built in 1900.**	Дом был построен в 1900.
With by	was / were + past participle + by + doer	**This book was written by a teacher.**	Эту книгу написал учитель.
Negative	isn't / wasn't + past participle	**The window wasn't broken.**	Окно не было разбито.
Question	Is / Was + subject + past participle?	**Was the window broken?**	Окно было разбито?

Watch out! We often say...

~~The window broke by Tom~~	**The window was broken by Tom**
~~English is speak~~	**English is spoken**
~~The house built in 1900~~	**The house was built in 1900**
~~Were the picture painted?~~	**Was the picture painted?**

M2 · Unit 6 · I don't ... (present simple negative) Murphy Unit 6 · pp. 22–23

THE BIG IDEA

In the present simple negative we use don't / doesn't + the plain verb. Doesn't is for he / she / it, and then the verb does NOT take -s.

Present simple, отрицание: don't / doesn't + начальная форма. Doesn't — для he / she / it, без -s на глаголе.

How to make the sentence

1. Choose don't (I / you / we / they) or doesn't (he / she / it).
2. Add the plain verb: I don't like fish.
3. With doesn't the verb has NO -s: She doesn't like fish.
4. Question: Do / Does + subject + base verb? Short answers: Yes, I do. / No, she doesn't.

The pattern

WHICH	PATTERN	EXAMPLE	РУССКИЙ
No	I / you / we / they don't base verb	**I don't like fish.**	Я не люблю рыбу.
No	he / she / it doesn't base verb	**She doesn't like fish.**	Она не любит рыбу.
Question	Do / Does subject base verb?	**Does he play tennis?**	Он играет в теннис?
Short answer	Yes, he does. / No, he doesn't.	**Do you live here? Yes, I do.**
