Murphy Unit 24 · pp. 58–59

THE BIG IDEA

Regular verbs make the past simple and the past participle with -ed (work → worked → worked). Irregular verbs have their own forms that we must learn (go → went → gone). The past participle is used in the present perfect and the passive.

Правильные глаголы: -ed. Неправильные нужно учить: go — went — gone. Третья форма (past participle) нужна для present perfect и пассива.

How to make the sentence

1. Look at the verb. Regular: add -ed (watch → watched).
2. Spelling: -e → add -d (like → liked); consonant + y → -ied (study → studied); short vowel + consonant → double (stop → stopped).
3. Irregular: look in the list: go – went – gone, see – saw – seen, make – made – made.
4. Use the third form after have / has (I've seen) and after be (it was made).

The pattern

WHICH	PATTERN	EXAMPLE	РУССКИЙ
Regular	verb -ed	**work → worked → worked**	работать
Spelling	like → liked · study → studied · stop → stopped	**She studied hard. He stopped the car.**	
Irregular same	cut – cut – cut · put – put – put	**I've cut my finger.**	Я порезал палец.
Irregular	go – went – gone · see – saw – seen · buy – bought – bought	**Have you seen it? I've bought a bike.**	
Passive	was / were third form	**The cake was made by my mom.**	Торт испекла мама.

Watch out! We often say...

~~I goed~~	**I went**
~~I have saw~~	**I have seen**
~~She buyed a bike~~	**She bought a bike**
~~We have wrote~~	**We have written**
