Grammar explained

Name _____

1 · will / won't

Class Book p. 48

THE BIG IDEA

Use will and won't to make predictions about the future: what we think or know will happen.

Will / won't + начальная форма — предсказание о будущем (что, как мы думаем, будет). Одинаково для всех лиц.

How to make the sentence

1. Think of something that you believe will happen: people / live in eco homes.
2. Write the person + will + the plain verb: More people will live in eco homes.
3. For no: won't (= will not) + plain verb: He won't come.
4. For a question: Will + person + verb? Answer: Yes, I will. / No, I won't.

2 · Present continuous for the future (plans and arrangements) Class Book p. 49

THE BIG IDEA

Use the present continuous (am / is / are + verb-ing) to talk about plans and arrangements for the future. It is already decided, and there is a future time word.

Present continuous в будущем: уже решённый план или договорённость (с указанием времени): завтра, в субботу, в два часа.

How to make the sentence

1. Is the plan already decided? Yes? Use am / is / are + -ing.
2. Write the person + am / is / are + verb-ing: Dad and I + are taking ...
3. Add the future time: this afternoon · on Monday · at two o'clock.

3 · The prefix re- Class Book p. 47 · Working with words

THE BIG IDEA

We add the prefix re- to the beginning of some verbs. It means "again" or "back", and it makes a new verb.

Приставка re- = «снова» или «назад». Добавляем в начало глагола и получаем новый глагол.

How to make the sentence

1. Take the verb: write.
2. Think: do it again? Add re- before it: rewrite = write again.
3. The verb itself stays the same: use → reuse, tell → retell.
4. Not every verb works. Learn these: remove, return, recycle, reuse, retell, rewrite.

The pattern

WHICH	PATTERN	EXAMPLE	РУССКИЙ
again	re- verb	**rewrite (write again) · retell · reuse · recycle**	переписать · пересказать · использовать снова · перерабатывать
back / away	re- verb	**return (give back) · remove (take away)**	вернуть · убрать
in a sentence	re- verb object	**I want to rewrite my story with a new ending.**	Я хочу переписать историю с новым концом.
in a sentence	re- verb object	**You can reuse your carrier bag.**	Ты можешь использовать пакет снова.

Watch out! We often say...

~~I want to write again my story~~	**I want to rewrite my story**
~~You need to give back this book~~	**You need to return this book**
