Murphy explained

Name _____

M1 · Unit 50 · She said that ... / He told me that ... (reported speech)

Murphy Unit 50 · pp. 110–111

THE BIG IDEA

Reported speech tells what somebody said. The verb moves one step back into the past. Use said (no person) or told + me / us / him / her.

Косвенная речь: пересказываем слова. Время сдвигается на шаг назад. Said — без «кому», told — с «кому».

How to make the sentence

1. Write: He said (that) ... or He told me (that) ...
2. Back-shift: am / is → was · are → were · do → did · will → would · can → could.
3. Change the person (I → he / she) and time words (tomorrow → the next day).
4. No quotation marks in reported speech.

The pattern

WHICH	PATTERN	EXAMPLE	РУССКИЙ
present → past	am / is / are → was / were	**"I'm tired." → She said she was tired.**	Я устала → Она сказала, что устала.
simple → past	verb → verb in the past	**"I like pizza." → He said he liked pizza.**	Он сказал, что любит пиццу.
will → would	will → would · can → could	**"I can help." → She said she could help.**	Она сказала, что может помочь.
told	told · me / us / him · (that) · ...	**He told me he was busy.**	Он сказал мне, что занят.
said	said · (that) · ...	**She said (that) she was busy.**	

Watch out! We often say...

~~He said me~~	**He told me (or He said ...)**
~~She told that she was ill~~	**She told me that she was ill (or: She said that she was ill)**
~~He said he is tired~~	**He said he was tired**

M2 · Unit 12 · I didn't ... / Did you ...? (past simple negative and questions)

Murphy Unit 12 · pp. 34–35

THE BIG IDEA

In the past simple negative and questions we use did / didn't + the plain verb. The past is shown by did, so the verb does NOT take -ed.

Past simple: отрицание и вопрос — didn't / did + начальная форма. Прошедшее время показывает did, глагол без -ed.

How to make the sentence

1. Negative: subject + didn't + base verb: I didn't go.
2. Question: Did + subject + base verb? Did you go?
3. Wh- question: Where did you go?
4. Short answers: Yes, I did. / No, I didn't.
