1 · First conditional (if + present, will) Class Book p. 78

THE BIG IDEA

Use the first conditional to talk about things that might happen in the future, and what will happen as a result.

Первое условное: реальное условие в будущем. If + настоящее время, will + глагол (результат).

How to make the sentence

1. Think of a real possibility: you press the button.
2. Write If + subject + present simple: If I press this button, ...
3. Write the result with will / won't + plain verb: ... the machine will make a pizza.
4. You can swap the parts. With if first, use a comma: If I press, it will work. = It will work if I press.

The pattern

WHICH	PATTERN	EXAMPLE	РУССКИЙ
Yes	If present simple, will base verb	**If I press this button, the machine will make a pizza.**	Если я нажму кнопку, машина сделает пиццу.
No	If present simple, won't base verb	**If you don't do your homework, you won't pass the test.**	Если не сделаешь уроки, не сдашь тест.
No (if-part)	If don't / doesn't base verb, will	**If this machine doesn't work, I'll be very upset.**	Если машина не заработает, я расстроюсь.
Swap	result if present simple (no comma)	**We won't know if we don't try.**	Мы не узнаем, если не попробуем.
Rule	NO will after if	**If it rains, we'll stay at home. (not: If it will rain)**	После if — настоящее время.

~~If I will see him, I tell him~~	**If I see him, I'll tell him**
~~If she don't come~~	**If she doesn't come**

4 · A personal account: endings

Class Book p. 82 · Writing

THE BIG IDEA

A personal account is a true story about something that happened to you. A good ending says how people felt, what happened in the end, or what you learned.

Личный рассказ: история о том, что случилось с тобой. Хороший конец: как все себя чувствовали, чем всё закончилось, чему ты научился.

How to make the sentence

1. Tell the story in the past: I mixed flour, salt and water. I dropped the bowl.
2. Choose an ending: how people felt · what happened in the end · what you learned.
3. Write it in the past: Luckily, my family thought it was very funny.
4. Add a comment with the first conditional: If I cook again, I won't listen to music.

The pattern

WHICH	PATTERN	EXAMPLE	РУССКИЙ
How people felt	feeling words past simple	**Luckily, my family thought my cooking disaster was very funny.**	К счастью, семья посмеялась.
What happened	past simple	**We went to a pizza restaurant for dinner.**	Мы пошли пообедать в пиццерию.

What I learned	If present, will / won't	**If I cook again, I won't listen to music in the kitchen!**	Если снова буду готовить...

Watch out! We often say...

~~Ending with a new idea~~	**End the same story**
