Four Seasons

Hello! I'm Lola and I live in Tashkent. We have four seasons.

In **spring** it's **warm** and sometimes **rainy**. The trees are green and beautiful. **Spring** is my favorite **season**.

In **summer** it's very **hot** and **sunny**. The **temperature** is 40 degrees! I don't like it, but I love ice cream.

In **autumn** it's **cool** and **windy**. The **weather** is nice, and there is a lot of fruit at the market.

In **winter** it's **cold** and sometimes **snowy**. I like **snow**, but I hate **cold weather**.

What's the **weather** like in your city? Which **season** do you like?
