My Vacation

Hi! I'm Aziz. Every summer my family and I go on **vacation**. We go to the **mountains** **by car**. It's a long **trip**, but we sing songs and eat fruit.

There is a small **hotel** near a **lake**. We don't stay in the **hotel** every night: sometimes we go **camping**! I love **camping** because the sky is beautiful at night.

My cousins go to the **sea** **by train**. They like swimming. I like **mountains** because it's cool and quiet there.

Where do you go on **vacation**? Do you go **by car**, **by train** or **by plane**? Do you like the **sea** or the **mountains**?
