Dream Trip

My name is Lola. My dream is a trip to Istanbul! I want to visit the big mosques and the markets. I'd like to go by **plane** with my best friend.

I need a lot of things. I need a **passport**, a **boarding pass** and some money. I need a **camera** for photos and a small **backpack**. In Istanbul it's warm in spring, so I need a light **jacket** and some **sunglasses**.

At the **airport** we **check in** and show our passports. We are passengers on a big **plane**. The **flight** is three hours. I want to buy a **souvenir** for my mother and a **gift** for my brother.

Where do you want to go? What do you need for your trip?
