HOW IT WORKS · 1

Present passive: is / are + past participle

Paper is made from wood. ✓
Бумагу делают из дерева.

Phones are made in China. ✓
Телефоны производят в Китае.

Cotton is grown in Uzbekistan. ✓
Хлопок выращивают в Узбекистане.

is / are + past participle: the action is important, not who does it
is / are + третья форма: важно действие, а не кто его делает

The object of the active sentence becomes the subject: People make paper → Paper is made
Дополнение становится подлежащим

Use by only when the doer is important: made by hand
by — только когда важен исполнитель

HOW IT WORKS · 2

Active → passive

People grow cotton.	Cotton is grown.
Factories make cars.	Cars are made.
They sell rubber boots.	Rubber boots are sold.
Machines assemble the parts.	The parts are assembled.

is + singular · **are** + plural

is — единственное, are — множественное

Use today's words: material, manufacture, produce, export, import, harvest

Используйте слова урока

HOW IT WORKS · 3

How is it made?

Это делают вручную? Нет, на машинах.

made of = you can see the material (a table made of wood)

made of — материал виден

made from = the material changes (paper is made from wood)

made from — материал изменился

made in + a place · made by + a person or machine

made in — место, made by — кто сделал

WATCH OUT

Four mistakes to avoid

Paper make from wood. ✗
is + made
→ **Paper is made from wood.** ✓

Cotton is grow in Uzbekistan. ✗
третья форма: grown
→ **Cotton is grown in Uzbekistan.** ✓

Phones is made in China. ✗
plural → are
→ **Phones are made in China.** ✓
