My name is Dilnoza and I'm sixteen. Last summer I visited my cousin in Bukhara for two weeks. We hiked in the desert, explored the old bazaars and ate delicious plov every day. It was the best trip I've ever had. While we were walking in the old town, we met a tour guide who told us about the history of the city. I've never seen such a beautiful place! Unfortunately, it was too hot at noon, so we usually stayed inside until five o'clock. If I had more money, I would go there every year. Next summer I'm going to visit my cousin again, and this time next year I'll be studying at college. I think Bukhara will always be my favorite city.
