Have You Ever...?

 Have you ever tried an extreme sport, Jasur?

 Yes, I have. I've tried **rafting** and **rock climbing**. I went **rafting** last summer in the mountains. It was fantastic!

 Wow! Have you ever tried **bungee jumping**?

 No, I never have. I'm afraid of heights. Have you?

 I haven't tried it, but I've seen a video. Two friends of mine have jumped from a bridge and they say it's amazing.

 Maybe we can try something together. Have you ever been on a zip-line?

 Never! But I'd like to try. Let's go next month and wear helmets!
