The Best Trip I've Ever Had

Last month I went to Khiva with my class. We have been on school trips before, but this one was the best trip I've ever had. We stayed for three days inside the old walls of the city.

It is the most **picturesque** city I've ever seen. Every street has a tower or an **ancient** gate, and the sunset over the walls is the most beautiful view I've ever seen. We ate plov in an old courtyard, and it was the most delicious food I've ever eaten.

The worst thing was the heat. At noon it was 40 degrees! Now I'm back home, but my best friend has gone to Samarkand with his parents. I think he's going to say that Samarkand is the best place he's ever visited. We'll see!
