HOW IT WORKS · 1

when + present for the future

When I get a job, I'll buy an electric bike. ✓

Когда я найду работу, я куплю электровелосипед.

When we finish school, we'll travel. ✓

Когда мы закончим школу, мы будем путешествовать.

I'll call you when I arrive. ✓

Я позвоню тебе, когда приеду.

when + present simple (not will!) for a future time

when + present simple для будущего времени

The result: will + base verb

Результат: will + глагол

Not: When I will get a job ✗

Не: When I will get

HOW IT WORKS · 2

as soon as · until · before · after

As soon as it stops raining, we'll plant trees. ✓

Как только дождь перестанет, мы посадим деревья.

We'll wait until the rain stops. ✓

Мы подождём, пока дождь не перестанет.

Before I leave, I'll turn off the lights. ✓

Перед уходом я выключу свет.

as soon as = immediately when · **until** = up to that moment

as soon as — как только, until — до тех пор, пока

before / after + present simple for the future

before / after + present simple

Same pattern: time word + present, will + verb
