Question Game

Ilyos and Dilnoza are playing a question game on the bus. Dilnoza starts: “What would you do if you could **read minds**?” Ilyos thinks. “I'd know all the answers in the exam,” he says, “but I wouldn't use it. It wouldn't be fair.”

“And what would you do if you were **invisible**?” he asks. Dilnoza laughs. “I'd go into the cinema for free, and I'd listen to everyone's secrets. But I wouldn't tell anybody!” “That's not very nice,” says Ilyos.

“OK, my turn again,” says Dilnoza. “Where would you go if you could **teleport**?” “To Japan,” says Ilyos. “I'd have lunch there and come back before the next lesson.” They keep playing until their stop. Which questions would you ask?
