Model and your task

Day 2 · Writing

What to do: In the model: the questions and short answers in the story.

My Trip to Mars

Last night I dreamed about a trip to Mars. My best friend Ali went with me. We took water, some food and a map of the planet.

The view from the window was beautiful. We saw Earth, blue and small, and the Moon. After three days we landed on Mars. The planet was red and quiet, and there were no clouds.

Suddenly a small alien came out of a rock. “Who are you?” he asked. “We are friends,” I answered. He was very friendly and showed us his house. Then he asked, “Did you bring any chocolate?” We gave him some.

In the end we flew home. I learned that a friendly question is the best way to meet anybody, even an alien.
