Model and your task

Day 2 · Writing

What to do: In the model: was / were for the scene, the past simple for events, didn't for what did not happen.

The Trip to the Mountains

Two years ago my class went on a trip to the mountains near Tashkent. It was a sunny day in May, and there were twenty of us with two teachers. We were very excited.

First we took a bus, and after two hours we arrived at a green valley. Then we walked along a river. The air was fresh and the view was beautiful. I was nervous, because the path was narrow, but my friend helped me.

Suddenly it started to rain. We did not have umbrellas, and nobody wanted to go back. We hid under a big tree and sang songs. After an hour the sun came out again.

In the end it was the best day of the year. I learned that a bad moment can become a good story.

A Choose ONE: a trip I remember

Write 120–150 words. Follow the plan. Use was / were at least 4 times, the past simple at least 6 times, didn't twice and 4 words from Units 1–3.

B Or: an email to a friend about the trip

Write 100–120 words. *Hi ..., Last Saturday I was in... We went... Suddenly... I didn't... Write soon!*
