Listening 1 · exam practice

Day 1 · Listening · Topic: Animals and pets

What to do: Pause after each conversation. Do not show the answers until everybody has chosen.

Cambridge A2 Key (KET) · Part 1: 5 short conversations, each with three pictures
YouTube: **www.youtube.com/watch?v=RCN6L65ACp8**
"KET - KEY English Test - Listening Test 27 - Level A2 (Learn English channel, with answers)"
Play **Part 1 only** (the first 5 questions). Each conversation is played twice. The answers are shown in the video.

1 Before you listen: talk in pairs

1. Which animals can you name in English? Which one is your favorite?
2. Do you have a pet, or did you have one? What is it like?
3. Do people in your country love animals more than people? Why do you think so?

2 Listen: choose A, B or C

Question 1 A B C

Question 2 A B C

Question 3 A B C

Question 4 A B C

Question 5 A B C

Circle your answer. Listen twice before you decide.

3 Check

1. Check your answers with the video. How many are right? ____ / 5
2. For each mistake, play that conversation again. Which word or number did you miss?

Listening 2 · BBC Learning English

Day 1 · Listening

What to do: Exercise 5 after the first listening, 6 after the second. Exercises 7 and 8 after the programme.

BBC Learning English · 6 Minute English · intermediate · about 6 minutes
"Do our pets care about us?"
Open: **www.bbc.co.uk/learningenglish/english/features/6-minute-english_2022/ep-220210**
On that page: the audio, the transcript (not word for word) and a PDF.

4 Before you listen

1. Do you think animals understand how we feel? How can you tell?
2. Who cares more about people: dogs or cats? Why do you think so?

5 Listen once: the question of the programme

What question do Neil and Sam ask in the programme? What did Dr Hiestand ask pet owners to do?

6 Listen again: true or false?

1. Neil and Sam are talking about wild animals. ☐ T ☐ F
2. Lassie is a TV dog who helps a boy named Timmy. ☐ T ☐ F
3. Adrian really hurt his leg in the experiment. ☐ T ☐ F
4. Adrian's dog wagged its tail and yawned. ☐ T ☐ F
5. Dogs come from animals that live in groups. ☐ T ☐ F
6. Cats come from animals that lived and hunted alone. ☐ T ☐ F
7. In the experiment, cats paid more attention to the owner and some kept grooming. ☐ T ☐ F

7 Match the words from the programme with their meanings

1 domesticated	a) give human qualities to an animal
2 anthropomorphize	b) living with people, not wild
3 feign	c) very strong physical pain
4 agony	d) cleaning its fur with tongue and paws
5 distress	e) pretend to have a feeling or an illness
6 grooming	f) worry, sadness or pain

Write: 1 __ 2 __ 3 __ 4 __ 5 __ 6 __

8 Discuss

1. Why did Adrian's dog and cat react differently? Do you agree with Dr Hiestand?
2. Which TV or film animal do you remember best? What did it do?
3. Look at the article again: which two ideas from the article are also in the programme?

Answers · Day 1 listening

For the teacher

BBC. 5: Do our pets care about us? / pretend to be hurt and watch how the dogs and cats react (the quiz: Skippy was a c) kangaroo)

6: F · T · F · T · T · T · T

7: 1 b · 2 a · 3 e · 4 c · 5 f · 6 d

YouTube test: the answers are in the video, after the test.
