FAMILY AND FRIENDS 2 · GRAMMAR EXPLAINED

Unit 1 · Our new things

Name _____

THE BIG IDEA

this / that / these / those point to things. One thing: this (near) or that (far). Many things: these (near) or those (far).

This / that / these / those показывают на предметы. Один предмет: this (близко), that (далеко). Много: these (близко), those (далеко).

How we build it

WHICH	PATTERN	EXAMPLE	РУССКИЙ
one · near	This is + a / an + noun	**This is a new board.**	Это новая доска.
one · far	That is + a / an + noun	**That's a poster.**	То — плакат.
many · near	These are + nouns	**These are new tables.**	Это новые столы.
many · far	Those are + nouns	**Those are hooks.**	То — крючки.

When we use it

Show a thing near you: This is my pencil case.
Показать то, что рядом.

Show a thing far away: That is a computer.
Показать то, что далеко.

REMEMBER

Near = this / these. Far = that / those. One = this / that. Many = these / those.

RUSSIAN AND ENGLISH

По-русски «это» одно слово. По-английски четыре слова: близко или далеко, один или много.

Watch out! We often say...

~~This are my books.~~	**These are my books.**
~~These is a pencil.~~	**This is a pencil.**
~~Those table is big.~~	**That table is big.**

EASY TRICK

Near = touch it → this, these. Far = point to it → that, those. After these / those the noun has -s: tables, hooks.
