FAMILY AND FRIENDS 2 · GRAMMAR EXPLAINED

Unit 7 · Let's buy presents!

Name _____

THE BIG IDEA

To say what we like we use like. For he / she we say likes, and in questions and negatives we use does / doesn't.

Like значит «нравится / любить». Для he / she — likes, а в вопросах и отрицаниях — does / doesn't.

How we build it

WHICH	PATTERN	EXAMPLE	РУССКИЙ
Question	What does he / she like?	**What does he like?**	Что ему нравится?
+	**He / She likes** **thing**	**He likes chocolate.**	Ему нравится шоколад.
No	**He / She doesn't like** **thing**	**He doesn't like balloons.**	Ему не нравятся шарики.
with I	I like · I don't like	**I like candy.**	Я люблю конфеты.
with you	What do you like?	**What do you like?**	Что тебе нравится?

When we use it

Choose a present: She likes books.
Выбрать подарок.

Say what you like: I like pizza.
Сказать, что любишь.

REMEMBER

he / she → likes, doesn't like, does. I / you / we / they → like, don't like, do.

RUSSIAN AND ENGLISH

По-русски «ему нравится» — другая конструкция. По-английски просто: HE LIKES (a boy is the one who likes).

Watch out! We often say...

~~He don't like balloons.~~	**He doesn't like balloons.**
~~What he likes?~~	**What does he like?**
~~Does he likes it?~~	**Does he like it?**
