# Unit 4 · Possessive pronouns, Whose, and adverbs

Name _____

**THE BIG IDEA**

Whose asks who owns something. Mine, yours, his, hers, ours, theirs stand ALONE with no noun. Adverbs tell HOW we do something.

Whose — чей. Mine / yours / hers / ours / theirs стоят без существительного. Наречия отвечают на вопрос «как?».

## How we build it

| WHICH | PATTERN | EXAMPLE | РУССКИЙ |
|---|---|---|---|
| **Possessive pronouns** | mine · yours · his · hers · ours · theirs | **The jacket is mine.** | Куртка моя. |
| **With a noun** | **my · your · his · her · our · their** **noun** | **It's my jacket.** | Это моя куртка. |
| **Question** | **Whose** **noun** **is it?** | **Whose jacket is this?** | Чья это куртка? |
| **Adverb** | **adjective** **-ly** | **slow → slowly · quiet → quietly** | |
| **Special** | good → WELL · fast → FAST | **They played well. He ran fast.** | Они играли хорошо. |

## When we use it

Ask who owns it: Whose backpack is this?
Спросить, чьё это.

Answer: It's hers.
Ответить.

Say how: She sang quietly.
Сказать, как.

**REMEMBER**

Whose ...? → the answer is mine / yours / his / hers / ours / theirs, or a name + 's (It's Amy's). The verb + how? → adverb (-ly, well, fast).

**RUSSIAN AND ENGLISH**

In Russian «чей?» changes (чья куртка?). In English it's always WHOSE. Also: mine / yours / hers stay alone; do not add the noun after them. «Он играл хорошо» → He played WELL (not 'good').

## Watch out! We often say...

| | |
|---|---|
| ~~This is mine jacket.~~ | **This is my jacket. / This jacket is mine.** |
| ~~Whose are these trainers? They're her.~~ | **They're hers.** |
| ~~He played good.~~ | **He played well.** |
| ~~She ran quick.~~ | **She ran quickly. (but fast: He ran fast.)** |

**EASY TRICK**

Noun after it → my / your / her. No noun → mine / yours / hers. How? → -ly (but good → well).

## Try it! Circle the right answer

1 This jacket is ___. (my / mine)

2 Those are ___ trophies. (our / ours)
