The rule: Infinitive of purpose · How often ...?

Why do we do something? To + the base verb answers the question WHY: I turned on the TV to watch sports. We went in the boat to see the dolphins.
to + base verb = the infinitive. It does not change: I use my phone to take photos. She uses a computer to write emails.
How often ...? asks about frequency: How often do you watch TV? — Every day. / Once a week. / Twice a month. / Three times a year. / Never.
1x = once · 2x = twice · 3x = three times · 4x = four times · 0x = never. Put them at the end: I watch a documentary once a week.
